- Falafel, Fries, and Spanakopita are cooked in a shared fryer.
- While we do our best to keep products separate, all food items are prepared in the same kitchen providing possible exchange of allergens/ingredients.
- Feta cheese is pasteurized.
- All Daphne's menu items are MSG free.
- Our menu items and cooking oil are trans-fat free, with the exception of naturally occurring trans-fat.
- The allergen information provided is derived from testing conducted in laboratories, published resources, and information provided from Daphne's suppliers.
